RE: ACLS Board Meeting

ATTENDEES:

Carol Frenning, Will Brocious, Juanita Yoder, Bob Kropac

DISCUSSION:

1. Approve minutes from August
2. Treasurers report
3. Membership
 - Sign up for next year. Bob said to hold off a few weeks for a big push but there is a sense of urgency, due to conference.
4. Website
 - Bob Kropac will meet with Bob Newberry next week in person. He can be walked through it. We need to understand how Wordpress works. Ultimately we need to manage it.
 - Make it simple. Photos in Projects and maybe Members. Photos rotate on front page.
 - Change Projects to Portfolios. Visual fishing net.
 - Regional listing not there, but searching for right plug in.
 - Link on member page to portfolio and photos on member page.
 - Go to site and send comments to Bob Kropac. Verify info. Update narrative. If you see anything that should be in a members only area, let Bob know.
 - Leave blank fields out on member page. Name in big letter at top of member's page would be nice.
5. Conference/retreat
 - Questions about conference
 - A) Anyone who signs up can have a portfolio

- B) There is an exhibit hall. Carol has info.
- C) Transportation. Shuttles for everything from Hyatt. Light rail from airport to downtown. Cab from there.
- D) Thursday evening dinner on final night - Carol's. She will work on transportation to that.
- E) Call members in November.
- F) Try to recruit people now so they can attend the conference.
- G) Think about business meeting. Bob - presentation on new website, Will and Juanita on membership, Pam on newsletter, constitutional issues - do we need changes? Discuss at meeting and do vote electronically.
