Membership - Carol - Juanita has had to leave for family issues.

Webinar - Paul, Worked on Fr. Dave Pettigill for next webinar, topics were discussed. He will be sending out a poll for topic ideas and possibly new committee members. Linda will be returning, but Paul would still like more people. He will be sending out a survey using Monkey Survey which will be user friendly. Gilbert Sundera may be a great resource, however he is very busy. Presenters for fall are lined up.

Newsletter - Shelley - Jim Heck sent in a great article for Summer, Chris DiLoretto will be featured in Fall.

Membership- applications are coming in, but needs some clarification on them. Marklin is already approved, just needs category change. Robert suggests Jeff Smith to take over for Juanita. Shelley will call Julie Richey and see if she's interested. Robert will reach out to Juanita about what needs to be done.

Future Meetings:

UDMC - We have a booth for ACLS, Robert feels we should place a large ad instead of 5000 brochures.

SWLC - Carol talked to Ken Greismer. All are happy about our collaboration. How many slots we get is still to be determined.

Cathedral Ministries - we'll get a booth for ACLS. The focus is to bring our speakers to speak on our group. We need to post the Annual Meeting info on our website.

Valpraiso is still an idea, but no decisions yet.

New Business - Maybe we should take over the BENE award? or something like it? Perhaps partner with SWLC for this award.

Next Meeting - July 21, 2016
