In attendance Juanita Yoder, Robert Habiger, Will Brocius, Carol Frenning, Shelley Kolman Smith

Cathedral ministry tabled until next month. (?)

Swlc-Carol - email from Ken Greismer per Greg Davis, who is planning a tour. Only two churches to see, half day tour, \$50 cost , no meal, people would have to come in a day early. Robert suggested taking personal cars to do these tours., which would be cheaper. Ken would like non members to be able to go. Robert and Will want just members. Robert motioned - donating \$100 per church, members only, informal, and not part of swlc registration. Need survey monkey to see how many are going to El Paso. Shelley will send questions to will to send out. Otherwise, we are all in agreement per motion

Cathedral Ministry conference- Carol - Phyllis Lundgren possible speaker on prayerful art, lighting also a topic. Looking for tours. Snow is to be considered, might pass on this tour due to timing. Mark Humenick, a metal worker, did work in the cathedral could be a resource. He used to be a member and should be invited to participate in Santa Fe.

Robert - Travel agent for ALBL- would help us organize a trip. June would be best per Albl,. Robert would like to also visit other things in the area, a week trip is suggested. Or ten days..Robert will look into monasteries or abbeys to stay. Carol, asked if the travel agents have a minimum number of travelers to make arrangements for? Robert, suggested we talk to Julie Richey as our tour guide/travel agent? He will talk to her at udmc tomorrow. Or Carol's niece Might be interested. It was suggested we get proposals from different people to make comparisons..Carol, asked if ifraa would know of new churches being built?

Membership. Carol. Webinar committees are doing well. Paul is working on general introductions and consistency, fixing the website. Our newsletters and webinars are improving membership. Next steps are to redo website. Fdlc has contacts for dioceses, perhaps we need to do a survey through Rita Theron on who requires consultants. Jim Hundt will be attending the next fdlc conference.. Robert would like to find a paid executive secretary to help us. Carol, believes fdlc can send out info for us. Will knows of a group in England similar to Acls.Carol suggested we do research to find models of groups like us. Christians in the visual arts, Civa, is a huge group we need to look into.
